

ST. MARY'S ACADEMY

Dear Friend,

At Christmas, we celebrate the light that came into the world. And, here at SMA, we're blessed to spend our days with 200 children who continue to share that light.

They do it without even trying. Their eyes twinkle with delight when they share a snack with a friend. Their faces light up with excitement when they learn their first word of Spanish or solve their first algebra equation. And they radiate the purest form of faith when they pray.

As a bulletin board in our Kindergarten classroom proclaims, they're "God's Shining Stars."

Of course, this is true of children everywhere. But, here at St. Mary's, we are blessed to be able to talk to them about the light that radiates from within them, about the divine source of that light, and about how to keep that light burning throughout their lives so it can always illuminate their path. That's our mission. And it's an incomparable gift – for us and for them.

At this wonderful time of year, when we celebrate the light, we ask you to join us in the mission of nurturing the light in the little "stars" of St. Mary's by making a gift to our Annual Fund.

Thank you for your generosity. And may your Christmas be filled with light and love!

Gratefully,

Rev. Scott VanDerveer *Marielena Hauser*
